

## TEST PLAN

### MODULAR INTEGRATED SYSTEM FOR TEACHING AND CONFERENCING (MIST/C)

#### MIST/C CLIENT MIST/C RC v2.6.2

<b>Version - 1</b> <b>S.No/ Date</b> <b>Version</b>	<b>Test Case</b> <b>Description</b>	<b>Expected output</b>	<b>Actual output</b>
1 08/23/2006 MIST/C Client RC 2.6.2	Status dialogue box.	This dialogue box will show the status of the recorder. (Stop, Record or Pause). First it will be "The Recorder Is Waiting To Be Started	Works as expected
2 08/23/2006 MIST/C Client RC 2.6.2	When the 'Record' Button is clicked.	Starts recording the session and the status dialogue will be changed to "The recorder is now recording".	Works as expected
3 08/23/2006 MIST/C Client RC 2.6.2	When the 'Stop' Button is clicked.	Stops recording the session and the status dialogue will be changed to "The Recorder Is Stopped".	Works as expected
4 08/23/2006 MIST/C Client RC 2.6.2	When the 'Pause' Button is clicked.	Pauses recording the session and the status dialogue will be changed to "The Recorder Is Paused".	Works as expected
5 08/23/2006 MIST/C Client RC 2.6.2	Elapsed Time text field.	Total recording time will be displayed.	Works as expected
6 08/23/2006 MIST/C Client RC 2.6.2	Multiple participants in recorded session (at least 3) take floor, speak and enter slide	Slides and audio appear in recording same as in the recorded session	Works as expected
7 06/07/2010 MIST/C Client RC 2.6.2	If there is a recording file in RECORDINGS with the same Moodle-shortname (such as OFFLINE) and date...	The last dated file like that is selected. The recorder offers to append the new recording to the end of that file.	Works as expected
8 06/07/2010 MIST/C Client RC 2.6.2	If appending is not possible (or not chosen), and there is a template file matching the Moodle shortname in RECORDINGS/COV	A cover slide is prepended to the recording	Works as expected

	ERSLIDES		
9 06/07/2010 MIST/C Client RC 2.6.2	If there is a Welcome.nwr in the same folder	The audio in that file (expected to be about 3 seconds) also is prepended.	Works as expected
